Overview

Paul Coyle's practice encompasses a broad range of general corporate counseling for healthcare provider clients as well as negotiating and documenting asset-based, cash-flow, unitranche and real estate financing transactions on behalf of both institutional lenders and borrowers with an emphasis in the healthcare industry.

Mr. Coyle also has substantial experience in negotiating intercreditor relationships (including agreements among lenders). In the workout and restructuring area, Mr. Coyle has represented institutional lenders in relation to pre-bankruptcy workouts and debtor-in-possession and Chapter 11 exit financings. Mr. Coyle advises healthcare providers (including owners and operators of hospitals) on operational issues affecting their businesses, and a variety of healthcare transactional and regulatory matters ensuring such advice is carefully coordinated with such clients' business objectives.

Representative Matters

- Represented the secured party in connection with a \$15,000,000 term loan facility secured by mortgages on two skilled nursing facilities in the State of Florida.
- Represented the secured party in connection with a \$25,000,000 term loan facility secured by mortgages on four skilled nursing facilities in the State of Ohio.
