Overview

Roger focuses his practice on complex commercial litigation where he supports clients ranging from small family-owned businesses to Fortune 500 Companies. He is dedicated to helping clients navigate through the various complex issues their businesses face.

Roger has experience in supporting litigation at all stages including legal research, drafting motions, drafting pleadings, preparing discovery, and resolving discovery disputes. Roger brings strong analytical skills and a commitment to client service through all stages of litigation.

Roger earned his J.D. *summa cum laude* from The University of Akron School of Law, where he received seven CALI Awards and served as Editor-in-Chief of the *Akron Law Review*. He was also a finalist at the 2024 AAJ Student Trial Advocacy Competition and a semi-finalist in both the 2023 AAJ Student Trial Advocacy and Buffalo Niagara Mock Trial competitions.

Representative Matters

- Represented Honeywell in the spin-off of its Advanced Materials business, now operating as Solstice Advanced Materials, including leading the separation workstream and contract analysis to establish Solstice as an independent, publicly traded company and supporting Honeywell's strategic transformation into three distinct industry-leading businesses.
