Overview

Steven oversees the firm's eDiscovery consulting, processing, analytics, and document review capabilities, and manages the Litigation Support Department. He is responsible for the overall strategic planning of litigation technology for the firm, including development of recommended practices and standard operating procedures, and the selection of preferred vendor partnerships.

Steven also advises clients and litigation teams on evidence management, ESI protocols, best practices, trial technology, and eDiscovery project workflow.

Representative Matters

- Achieved a significant victory for Billings Hockey, LLC and East Idaho Hockey, Inc. in expedited litigation involving the enforceability of hockey league noncompete agreements. Successfully defeated efforts to prevent our clients from competing in a new league, resulting in a favorable resolution and dismissal with prejudice, while protecting their ability to compete in future seasons.
