Overview

Zack advises clients across the healthcare industry on complex strategic transactions, corporate governance, and regulatory compliance. He has experience structuring and negotiating mergers, acquisitions, joint ventures, and other strategic affiliations; forming provider groups, networks, and alliances; and advising on fraud and abuse laws and other specialized regulatory matters.

He represents a diverse range of clients, including hospitals, health systems, management service organizations (MSOs), dental service organizations (DSOs), and private equity funds, as well as physician groups, assisted living facilities, healthcare technology companies, medical device manufacturers, and others across the healthcare spectrum.

Zack regularly counsels clients on compliance with federal and state healthcare laws, including the Stark Law, Anti-Kickback Statute, HIPAA, and various licensing and accreditation requirements. He also advises on entity formation, governance, operational structuring, and strategic affiliations, including joint ventures and MSO arrangements.

Inspired by his father, a cardiologist, and his own early plans to pursue a career in medicine, Zack brings a deep appreciation for the healthcare field to his legal practice. He is passionate about helping providers scale their operations and manage regulatory risk, and finds deep fulfillment in supporting their mission to improve patient care.

Zack is highly attuned to his clients' needs and goals, ensuring they feel heard, prioritized, and supported. Known for being proactive, thorough, and efficient, he often anticipates legal challenges before they arise and delivers thoughtful, astute counsel.
