Regulatory Influence

Our team has strong relationships with regulators and actively shapes the policies that govern the legal cannabis industry.

Representative **Matters**

- ▶ Represented Caliva, a leading California vertically integrated cannabis company, in its combination with Subversive Capital Acquisition Corp. (NEO:Gram.U), the largest cannabis SPAC and largest Canadian SPAC to date.
- ▶ Representing Red Arrow Farm, a Michigan-based cultivation and processing facility that has increasing market share in the still-developing adult-use market in the state, as outside general counsel in matters including regulatory and corporate counsel on an ongoing basis. Red Arrow is a pioneer in a brand new industry in Michigan and faces myriad legal challenges at a state and local level along the way.
- ▶ Conducted a trade secret audit and worked with a private equity firm on identifying potential trade secrets of a cannabis grower in order to assess investment valuation and opportunity.
- ▶ Represented cannabis applicants in various states in connection with their formation, management, equity and debt structures.
- ▶ Represented springbig, the largest loyalty and marketing automation platform to serve the cannabis industry, in entering into a definitive agreement for a \$500 million de-SPAC transaction resulting in springbig being listed on Nasdaq through a merger with Tuatara Capital Acquisition Corporation. The merger accelerated springbig's visions to serve cannabis brands by consolidating a highly fragmented cannabis technology ecosystem across loyalty, data analytics, advertising, and other areas influencing consumer experience and marketing effectiveness.
- ▶ Represented California cannabis company The Parent Co. in its acquisition of dispensary and delivery company Coastal Holding Company for stock consideration.
- ▶ Represented GTI, a leading national cannabis company and owner of Rise™ and Essence retail stores, in matters including a cultivation license from the Ohio Department of Commerce, following an appeal. The cultivation operation will be located in Toledo as part of a processing and manufacturing facility that will also produce GTI's branded product portfolio.
- ▶ Represented a cannabis software company in vendor dispute arbitration.
- ▶ Represented PharmaCann, one of the country's largest vertically integrated cannabis companies, as lead counsel on a \$25 million senior secured convertible loan facility secured by Illinois medical and adult use dispensary assets.
- ▶ Represented a private investment fund focused on investing in BIPOC-owned cannabis businesses.
- ▶ Represented a large, family office that made very substantial investments in the cannabis business, including corporate structure for the entity into which the family office made its original investments and eventually raised additional equity that allowed the original investor to receive a return of a portion of its original investment.
- ▶ Advised a cannabis company on state- and county-specific regulations concerning dispensary applications and licenses.
